

How to find us

From Northern or Southern Italy take the Autostrada to Naples. After passing the toll-booth, take the "Tangenziale" exit. From the Tangenziale take exit #12, Via Campana. At the end of the exit ramp, you will enter a traffic circle. Go around the circle about a 3/4 turn and take the road leading up the hill (to the left of the restaurant). After about 1/2 a mile bear to the left. At the end of the road it will be the entrance to Carney Park and the Golf Course.

The nearest Commissary and Exchange are at the old base in Agnano, about 5 miles from the Park. Take exit 11 from the "Tangenziale," pay the toll, take the first left, take a right at the second traffic light, and it'll be on your right after about 500 meters.
