

**Citizens Thermal Energy**, a division of Citizens Gas, would like to announce the following opening in Indianapolis, IN:

### **Chilled Water Plant Operator**

Work Hours: (Modified Shifts) Mon.-Fri. 8 hours - Sat./Sun. 12 hours

Salary Range: \$35,000 - \$45,000 (hourly pay scale)

#### **Responsibilities:**

The Plant Operator is responsible for the safe, continuous operation of the chilled water plant. The operator will also perform repair and maintenance on the plant systems as needed and perform other general housekeeping functions.

#### **Qualifications:**

- Navy Machinist or Electrician experience preferred
- Experience with steam driven turbines & refrigeration equipment
- Experience in power plant environment
- Knowledge of operation and maintenance of high-pressure boilers, turbine driven equipment, pumps and their associated piping, valves and system controls required.
- Minimum of two years experience in maintenance and process control preferred

#### **Work Conditions:**

Indoor work in plant environment; some outdoor work in inclement weather. Work requires physical abilities such as shoveling, climbing ladders and scaffolding, lifting up to 50 lbs. and working in confined spaces.
